Private Voice Lessons

Ever wanted to learn how to sing your favorite Hollywood Musical, Good Time Oldies, Musical Theatre or Pop tunes? This is the perfect class for you! Students will learn how to read music and basic music theory principles. This is not a class to learn perfect technique or obtain “classical” training. The emphasis will be on the performance and style in which the student has to present a musical number; whether it is from a musical movie, standard tune or pop song. Vocal lessons are individual culminating with a recital the final week of the session. **Time slots cannot be held for returning students. To be assured of retaining your lesson time, register for both sessions at the same time.**
